

Time For Heroes is a totally unique project for the Moscow's music scene.

Guys' YouTube channel counts thousands of views and their live performances spellbind.

Warm sound of acoustic guitars, smooth, but dynamic percussion, stylish arrangements, with, of course, Artem Kevorkyants' incredible vocals leave no one indifferent.

On Time For Heroes' gigs already vivid songs by Bastille, Kasabian, Oasis, Coldplay, Hurts, Kings Of Leon and many many others will certainly surprise you with the new unexpected colours.

Spend an evening, listening to a great music. Magnificent atmosphere is guaranteed.
